Presenter

Daniel Betts, a senior partner with Jacobson, Betts & Company has over twenty-five years experience as a human resources manager and consultant, specializing in total compensation systems, policy development, and performance and productivity management systems.

Prior to joining this firm, Mr. Betts was a senior consultant with an international firm specializing in total compensation. He held a distinguished career as a senior-level congressional auditor and economist. In this capacity, he conducted studies with numerous state department, department of interior, and department of health, education and welfare bureaus and functions. Mr. Betts is designated as a Senior Human Resources Professional, has given presentations on domestic and international compensation and served on numerous industry discussion panels.
